

Surrey County Chess Association

Your county needs you!

The season 2018-2019 marks the 100th anniversary of the National Counties Chess Championships and Surrey would like to play its full part.

Surrey is one of only a few counties that runs teams in all of the sections of the county championships (Open / U180 / U160 / U140 / U120 / U100) as well as the U14/I30 section for Juniors. Juniors of sufficient playing strength can play in any of the teams. There is a team to suit you from beginner to expert.

Photo: John Upham

We are very keen to introduce new players into county chess as well as to welcome back players who may not have played for a while. How many activities are you involved in where you can say that you represent your county? Many people feel that it is an honour to do so.

If you are interested in playing for Surrey please contact the team captain listed on our website (scca.co.uk) or else ask an officer at your Club
